Put your mobile and landline numbers on the national Do Not Call Registry. Visit **donotcall.gov** or 1-888-382-1222 from the number you want to register.

Research apps, services or devices that help block unwanted calls.

Don't answer calls from unknown callers. That could verify you have an active line. Never call back an unfamiliar number – it may lead to a scam.

Spoofed caller ID numbers may trick you into answering. If you answer a spoofed call, hang up immediately. Do not respond to even simple questions or requests.

Scam callers may pretend to represent an organization, business or even a government agency. Never reveal any personal or financial information unless you can independently verify the caller.

FCC rules offer protection against unwanted calls and texts. File a complaint with the FCC to help us determine where to take action. Visit **consumercomplaints.fcc.gov**
